SAFE WORK METHOD STATEMENT

All work on site will be conducted in accordance with related safe work practices and monitored by the Promoter.

COVID19

All attendees, visitors, contractors or crew will be encouraged to download the “NZ Covid Tracer app” via Google Play or Apple App Store and scan the QR code on arrival and be checked in onsite.

All contractors and crew will be told that if they feel unwell that they are to stay home and not come to the venue.

Hand sanitiser will be available through the venue.

A reminder around basic hygiene measures will be communicated from stage for all attendees.

FIRST AID

For minor incidences, a First Aid kit will be kept in the in AUT foyer behind desk. There is a defibrillator located the first aid room.

For all other incidences a call will be placed to 111. An incident report will be completed for any accidents or injuries.

SPECIALIZED WORK

During the course of the event there will be a number of specialized works taking place. In each case trained and approved contractors will carry out all work. The venue will be closed to the public until such time as all works have taken place and are established.

SAFETY MONITORING

Each area will be responsible for their own safety and safe work practices. The Promoter will monitor this.

FIRE

Fire extinguishers are located at a number of locations around the venue – at Reception desk in AUT Foyer, On the wall in the Lion Foundation Hall, Inside the arena (back wall).

All Fire Exits will be clearly marked and venue staff will direct the flow of concertgoers from the building in case of emergency.

There will be no pyrotechnic aspect to the show.

LAW & ORDER ISSUES

Will be dealt with by venue security, and the protagonist held until Police arrive (if necessary).

EMERGENCY EVACUATION

In the case of an emergency evacuation all entries/exits to be opened (by venue staff), and all attendees to be moved to the emergency evacuation area in the front area of the building. If the alarms sound please head to the nearest exit. Guests are to assemble in the front of the building at a safe distance from the building.

An emergency evacuation should only be declared by the venue representative.

SERIOUS HARM

1. The person/s affected to be treated immediately
2. Area to be cordoned off, and photos taken if appropriate
3. Worksafe NZ to be notified immediately
4. Event promoter to complete an investigation as soon as possible
